Application Reference	Property	Details	Comments
P0506/26/HED	Land North of Oridge Street (Sewage Treatment Works), Corse	Remove 10 metres of hedgerow to facilitate the installation of the new Final Outfall effluent pipe. Remove 11.5 metres of hedgerow to facilitate the installation of the new rising mains from the existing site to the new inlet works, which will include ducting to the new storm tank feed pipe.	Corse Parish Council recognise the need for the extension to the Sewerage Treatment Works and therefore have no objections to the planning application. The Parish Council would ask that suitable replanting takes place to ensure the loss of the hedgerow is compensated for in the interests of biodiversity in the area.
P0511/26/FUL	Land at, The Hawthorns, Staunton	Erection of a portal frame building for use as fodder store in connection with existing cattle rearing enterprise.	Corse Parish Council have considered the planning application for Land at The Hawthorns and have no comments to make.
